

Montessori Children's House and School

Support Early Education | Support Montessori

Fifty years ago, a school was established in North Dallas for the purpose of offering parents an alternative method of education for their children. This school was rooted in the purest form of Montessori, known then and now for its reputation of providing an unparalleled start in life for young children.

Over one thousand students later, Montessori Children's House and School (MCHS) prevails in being the only AMI-accredited Montessori in Dallas, TX which focuses exclusively on children 3 to 6 years of age. This developmental period is widely regarded as critical in a child's life, as it is the foundation for the child's intelligence, personality, and character. This time of dramatic cognitive development is distinguished by a seemingly effortless ability by the child to absorb knowledge made available for discovery.

On Saturday, April 17, 2021, we will be coming together as a community to celebrate this school's remarkable achievements. To commemorate the excellence of the MCHS experience, we are hosting an auction focusing on art for both the silent and live auctions. Art is fundamental to the Montessori process, and Maria Montessori understood that art is a key component for a child's self-construction. Art is inherent and organic in the prepared Montessori environment.

We are inviting you to donate an art work to the MCHS silent auction. Proceeds from this year's event will benefit The Next50 Fund, our formally established sustainability fund housed with the Communities Foundation of Texas. Your donation and the resulting monetary contribution to MCHS will help ensure MCHS will continue to provide a quality Montessori experience with a highly-respected staff and a safe and beautiful environment.

Make your donations [here](#). Please enter the information for the piece of art and upload a photograph. After April 17, 2021, we will connect you with the auction winner so they may coordinate with you directly regarding a pandemic friendly pick-up.

Our live auction during our event will be quite exciting as the featured art is all student-made!

We will send you a link once the auction opens on April 9, 2021. We'd greatly appreciate it if you would invite your followers to attend. As this is our 50th anniversary and the gala is virtual, we'd welcome the exposure to the community at large.

Thank you very much for your consideration of our request. Your art will be a fantastic addition to our silent auction.
